

# **El Paso Path Improvements Construction Meeting**

**Meeting will begin momentarily**

**Oct. 29, 2020**

# Agenda

- Welcome
- Introductions
- Project Background
- What to Expect
  - Schedule/Phasing
  - Lighting
  - Alley access
- Communication and Information
- Questions

The background of the slide features a series of concentric, hand-drawn style circles in shades of blue and yellow, creating a tunnel-like effect that frames the central text.

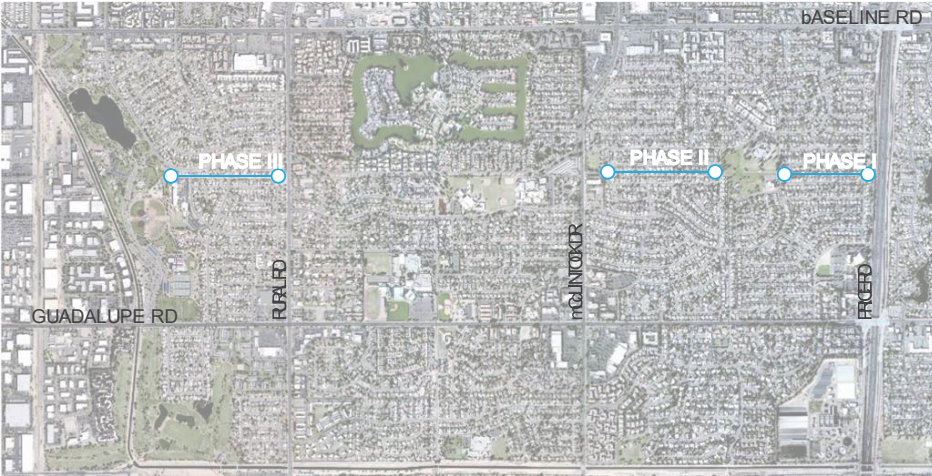

# **Project Background**

# History

 The El Paso path was created in 1997 as a neighborhood grant request from area neighbors to improve the wide abandoned gas easement behind their homes.

# Project

## ● Linking the paths

## ● Renewing the landscaping and meeting ADA requirements

## ● Light Replacement

## ● Consolidating two programmed pathway capital maintenance projects, into ONE holistic project.

# Illustrated Roll Plot

# Before and After

# What to Expect

# What to Expect

- Construction now through mid-2021

- Overlapping phases

  - Phase 1 – west end to Los Feliz

  - Phase 2 – Los Feliz to Kenwood

  - Phase 3 – Optimist Park/Fuller Elementary School

  - Phase 4 – Country Club Way to east end

- Path will be closed and unlit during construction – lights are long lead items
- No changes to trash, bulk trash and green organics pick up in the alley.

The background features a series of concentric, hand-drawn style circles in shades of blue and yellow, creating a tunnel-like effect that frames the central text.

# **Communication & Information**

- Look for path signage, email, postcard and door hanger updates
- Posts to neighborhood Facebook pages and Nextdoor
- PROJECT HOTLINE – 480-532-5588
